**VALUE THEM BOTH**

Recent Court rulings have paved the way for unlimited abortion, paid for with your tax dollars. You can reverse this course of voting for **VALUE THEM BOTH** in August of 2022.

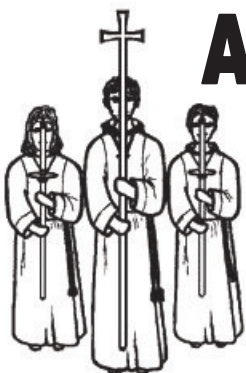

Without the **Value Them Both Amendment** unlimited abortion will come to Kansas. Our legislature will no longer be able to hold the abortion industry accountable, just like we've seen in states like New York and Illinois. With our voices and our vote we will let it be known that Kansas values both women and our unborn children.

### What the amendment says:

"Because Kansas values both women and children, the constitution of the state of Kansas does not require government funding of abortion and does not create or secure a right to abortion. To the extent permitted by the constitution of the United States, the people, through their elected state representatives and state senators, may pass laws regarding abortion, including but not limited to, laws that account for circumstances of pregnancy resulting from rape or incest or circumstances of necessity to save the life of the mother.

Virtus is the brand name that identifies best practice programs designed to help prevent wrongdoing and promote "right doing" within religious organizations. The Virtus program empowers organizations and people to better control risk and improve the lives of all those who interact with the Church. When caring adults have a "healthy suspicion" about something in their surroundings, they can identify the risks to children early enough to prevent child sexual abuse from occurring. All adults are protectors of children. As adults, it is our role in the faith community to keep our eyes and ears open and to report any suspicious activity to appropriate authorities and church officials.

**If you hope to volunteer in our school, childcare center, or youth formation programs you must be VIRTUS trained! Virtus training is required for all those volunteering and work with children.**

**Due to Covid, the entire Virtus training process is online.**

Please register at **[www.virtusonline.org](http://www.virtusonline.org)** to create an account by selecting *first time registrant*, *begin registration process*, and select organization - Kansas City in Kansas Archdiocese. Eventually you'll select Sacred Heart, Emporia as your location.

Once you register you will then complete the required background check and sign the electronic documents: Child Protection, Harassment, Ethics policies. Please allow a minimum of 30 minutes to complete this process.

Once these documents have been completed you can access the virtual training through your Virtus account under the training tab. There is no cost to complete this process.

Please email Marciel ([marciel@shemporia.org](mailto:marciel@shemporia.org)) or call the church office (620-342-1061) if you have questions. Thank you!

## Why choose Sacred Heart School?

SACRED HEART CATHOLIC SCHOOL

Education  
with a 

**K-5 FINANCIAL AID AVAILABLE**

First and foremost, Sacred Heart is a Catholic school. Serving students in grades kindergarten through 5th, we believe that God made us all for excellence and that by focusing on our faith, we can realize our true potential. Our partnership with families and the Church is vital in seeing this through. Parents are the first and most important educator in their child's life. By working with families, Sacred Heart aims to bring the school and home life together to build a foundation for every child focused on faith and excellence.

Our class sizes and focus on relationships makes every student and their family a member of the Sacred Heart School family. Small class sizes allow teachers to truly get to know each student to provide the necessary support for success. Students from all grade levels pray together, play together, and eat together every day, building a unity that is felt throughout the school. While Sacred Heart is steeped in Catholic tradition and values, we welcome families from all faiths. We value the opportunity to relate to people from various cultural, ethnic, and faith backgrounds. At Sacred Heart School, we want every family to have access to a Catholic education. Therefore, scholarships and financial aid are available to all families who qualify.

## NOTES from the desk of

When something is good, my dad likes to "marvel appropriately." How often do you take time to marvel appropriately?

Earlier this month, I took 3 young ladies from our youth group to Topeka to participate in a program called Prayer & Action where we spent a week with 27 other students mostly from St. Bernard in Wamego and St. Joseph in Shawnee, as well as the other adult sponsors and the support team of 3 seminarians and 3 faith-filled college women. Prayer & Action is just that. We prayed and did service work in the community. The team of 9 young women that I worked with enjoyed getting to know each other but spent most of their energy working hard scraping, painting, weeding, and even assisting at Our Lady Of Guadalupe Parish's Fiesta Mexicana. At the end of each day when I dropped them off for showers, in the moment my body had to rest between activities, my heart turned to marvel. God's presence among us could not be missed. These kids personified Him in their selfless giving to strangers.

Teens, contrary to what society may think, can LOVE LIKE CHRIST! Wonder and Awe are gifts of the Holy Spirit I received richly this week. For this I marvel appropriately.

Director of Catholic Youth Formation
