The registration packets contain more information regarding our policies and procedures due to COVID. At this time please note these few items (some items may be subject to change):

- Wednesday classes will begin Sept. 9th and Sunday classes will begin Sept. 13th
- Classes will be in-person with social distancing with students and teachers wearing masks. Class times will be shortened to 45 minutes with the expectation of additional weekly formation at home.
- K-8 Classes will be held on Sundays at 11 am and 6-8 classes will be held on Wednesdays at 7 pm. Additional 7-8 classes may be held on Sunday at 9 am (if warranted).
- Some classes may be capped at a certain capacity. Classes will be filled in a first-come, first-serve manner.

Registration for CYF will close on Sunday, August 16th to allow time to fit classes into appropriate spaces.

When reading the Gospel, I often find myself relating to the disciples when they become perplexed, exasperated, and overwhelmed. I understand those feelings because they are very human and they require a great deal of trust to overcome. While I have trust in the Lord, it can be challenging at times. Times like now, as I try to prepare the school to be reopened to students for the new school year. Which is why I love this week's Gospel reading.

The story of the loaves and fishes is one most of us know very well. It is one that I reference often in a number of different situations. It has never felt so real to me, though, as it does right now. The disciples see what they have and make a logical decision to ask Jesus to send the people to town to get food. Jesus rebukes this idea saying to serve the people what is there. When the disciples say it is not enough, Jesus shows them to trust him by blessing the five loaves and two fishes so that there is now enough to serve the crowd with 12 baskets left over.

I have found myself feeling like the disciples recently, being asked to do something that seems almost impossible. How can I possibly plan to reopen our school while following all of the new guidelines and ensuring that everyone is safe? How can I do this when the requirements keep changing? How do I do this knowing that, no matter what, a segment of the families in the school are going to be disappointed with the final plan presented? The questions keep coming. The answers, as they always do, have come by way of trusting in God.

When planning seemed impossible and I felt the most overwhelmed, I turned to God and asked for His help. I began to think about all of our students, our teachers, and all of their families. I stopped worrying about checking boxes and instead focused on doing what I could to meet their needs. Their need to stay healthy, their need to be at school, their need for some normal, even if it was a new normal. This helped calm my anxieties and helped me to prepare for a school year that will be unlike any we have ever known. The process continues, and I know I will continue to feel stressed at times, but I am extremely confident that we are doing this the right way because I know God is on our side.

When the crowd gathered in that deserted place to hear Jesus, they didn't anticipate what would happen. Many probably felt hungry and began to complain and to discuss leaving. However, the meal that they had is one that is still talked about today. God's greatest works are revealed in the most difficult and unlikely of times. I trust that he will guide our planning this year so that we can not only have a school year, but so that this school year will be one that we never forget. The crowds that night with Jesus and the disciples gained a new appreciation for a simple meal with a simple, yet amazing blessing from God. I know that this school year will similarly remind us all of the many simple blessings our Catholic school provides us. None greater than the ability to come together as a family to share our faith and love with each other, even if we have to do so 6 feet apart.

Darby O'Neill, Sacred Heart School Principal

Planned Giving Brief:

Patron Saint of Parish Priests

Compassionate and Loving Father,
In the face of confusion
and concern impart to us
the calm of your presence.
In You allow us to find hope
and healing. Be with those who
serve the sick and give them Your
caring hands. Be with those who
lead and give them Your Spirit of
wisdom. Be with those who have
fallen ill and give them Your
comforting heart. Wrap your
arms around our world and hold us
in your love. Allow us at this
time of trial to then serve
as instruments of that love
to all we meet.

We ask this in Your Name.

Amen. ©LPI

Voting is a Moral Responsibility

**VALUE
THEM
BOTH**

**LET
KANSANS
VOTE**

"The Catholic Bishops of the United States again identified the protection of unborn children as the pre-eminent moral priority."

"To correct the grave injustice imposed by the Court, the Value Them Both Constitutional Amendment needs to be adopted by the citizens of Kansas. We need elected officials who will take action to defend the innocent life of the unborn and their mothers."

~ Archbishop Joseph Naumann

Why do we need the "Value Them Both" Amendment?

The April 2019 KS Supreme Court *Hodes & Nauser vs. Schmidt* ruling:

- "discovered" a right to abortion in our 1859 Kansas Constitution.
- usurps the voice of Kansans on the abortion issue.
- puts at risk all of our existing and well-supported laws that protect women and save lives, such as -- a woman's right to know, safety standards, parental notification, and bans on late-term, partial-birth and taxpayer funded abortion.
- creates a nearly unlimited abortion industry in Kansas.
- enables the abortion industry to continue targeting minority communities and disproportionately affecting black lives.

The only recourse we have is to pass the "Value Them Both" Amendment. VTB does not ban abortions, but returns the ability of Kansans, through their elected representatives, to pass reasonable regulations on abortion that will protect women and save lives.

No Kansan wants our state to become a destination for late-term and dismemberment abortions.

Where does VTB stand?

- The Kansas Legislature must approve the Amendment with a 2/3rds vote in order to get it placed on a ballot for Kansans to vote.
- On February 7, 2020, the VTB Amendment passed through the Senate but failed, by 4 votes, to pass in the House.
- It will likely come up for a vote again with the new Legislature in 2021.

What can I do to help?

1. **Join the Kansas Rosary Crusade** for the passage of the VTB Amendment: kansasrosarycrusade.org
2. **Become Educated!** Visit archkck.org/prolife-ks-constitutional-amendment to learn more. Share information with your family & friends.
3. **Invite a VTB speaker to your organization.** Contact dniesen@archkck.org to schedule.
4. **VOTE!** It is up to us to elect officials who will take action to defend the unborn and protect women. Visit archkck.org/prolife to see how your representative voted on VTB.

THE ARCHDIOCESE
OF KANSAS CITY IN KANSAS

Voting has begun for many primary elections in Kansas. As Catholics, we are called not simply to vote, but to be well informed voters who in casting our ballots apply the moral principles and priorities of our Faith. The Catholic Bishops have once again identified the protection of the unborn as the pre-eminent moral priority. Archbishop Naumann states, "The Value Them Both Constitutional Amendment needs to be adopted by the citizens of Kansas. We need elected officials who will take action to defend the innocent life of the unborn and their mothers."
