# #GIVINGTUESDAY

---

**#GivingTuesday is a global day of giving on Tuesday, November 27, 2018!**

#GivingTuesday this year at Sacred Heart presents us with a great opportunity to spruce up our campus and make a safer drop-off and pickup for our school children!

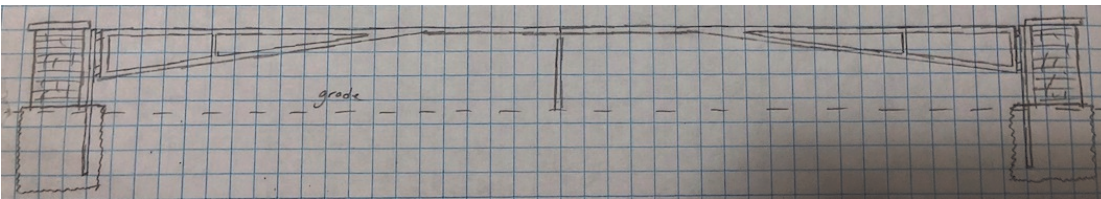

Our building and grounds committee has secured a bid to remove the unsightly barricade and old gates at the ends of the vacated street in front of our school, replacing them with new and functional gates that would utilize the leftover brick and stone from previous projects for the pillars, if we can raise sufficient funds.

The bid is for about \$11,000, but around \$3,000 has already been given to this project in memory of John Mears.

As we begin this special giving season, consider giving to Sacred Heart on #GivingTuesday.

## How can I give?

You can give now through the kiosk in the church vestibule or online at [www.shemporia.org/donate](http://www.shemporia.org/donate) and click on "Give Online." If you prefer to donate by cash or check, please designate your payment as "Giving Tuesday."

Teaching children to be compassionate and to willingly serve others is not as difficult as you might think. Children have a strong, natural drive to be kind and generous. The children at Sacred Heart Child Care Center have been demonstrating the act of giving. As a service project during the month of October, in conjunction with learning about Saint Francis of Assisi, preschool and Kindergarten classes at Sacred Heart collected items to be donated to an organization which supports animal welfare, the Dale Buck Foundation. The children were asked to bring things such as dog/cat food and treats, pet toys, blankets and towels, etc. They did an awesome job of collecting the items and these were presented to a representative of the organization and her dog "Ace" on November 6th. While celebrating and learning about Veterans Day, the children at Sacred Heart Child Care Center continued to give. To honor those currently serving our country, instead of the children bringing a personal toy from home for "show and share" they brought something to share with a soldier. Once again, they did an awesome job collecting items. They brought toothbrushes and toothpaste, toiletry items, non-perishable foods and snacks, books etc. These items were given to Emporia Main Street to create soldier care packages for local units in Kuwait and throughout the Middle East for the Holidays. Teaching children the importance of giving to others is one of the most valuable character traits we can instill in a child of God.

Monica Barnett, Director  
Sacred Heart Child Care Center

An automated external defibrillator (AED) is a portable electronic device that automatically diagnoses the life threatening cardiac arrhythmias of ventricular fibrillation and pulseless ventricular tachycardia, and is able to treat them through defibrillation, the application of electricity which stops the arrhythmia, allowing the heart to reestablish an effective rhythm.

With simple audio and visual commands, AEDs are designed to be simple to use for the layperson, and the use of AEDs is taught in many first aid, certified first responder, and basic life support (BLS) level cardiopulmonary resuscitation (CPR) classes. (From Wikipedia)

Sacred Heart would like to purchase an AED for the church, the parish hall, and perhaps the office and school, too. However, they cost about \$1,500 each, and require ongoing maintenance.

If you would be interested in donating towards the cost of an AED, you are most welcome to drop off a check with "AED" in the memo line, or contact Lois Symmonds at the office for other payment options: (620) 342-1061. Thank you!

## Meet Our CYF Catechists!

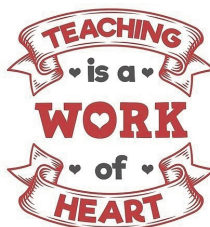

My name is Mary Topper. I've been involved in religious education for quite a few years. I was a catechist aide in high school and a lead catechist while in college. I also taught a summer of Totus Tuus. This year I am teaching 4th grade. I agreed to teach this year because of something my uncle told me...he said, you have a lot of wisdom about our Faith to teach and share. My hope for my students this year is to not just look at the surface of their faith by settling with what the crowd tells them is right but by exploring their faith for a deeper meaning. I have a degree in Elementary Education from ESU and work as Para-Professional at Logan Avenue Elementary. My husband Bobby and I have been married 6 years and have two boys: Joseph is 4 years old and attends Sacred Heart Child Care Center and Luke is 1 year old. I love November, praying for those who are dead. I still remember my late father writing down departed loved ones and friends in the Book of Dead. My favorite prayer is the prayer to my dearest and closest guardians, the Guardian Angel Prayer. I have many Saints I can't wait to meet. I love reading "Story of a Soul" by Theresa, the Little Flower.

My name is Emma Nardo. This is my first year helping with religious ed. I am assisting Blake with the Youth Group. I agreed to help this year because I felt it was the right way to become a bigger part of the Church community. If the High School students learn one thing this year, my hope is they will learn to treat people the same regardless of their views or religious preference. Be kind! I usually attend 8:00 a.m. Mass. I hold an Associates Degree in General Studies from Allen Community College, a Bachelors in Athletic Training from Emporia State, and an Associates Degree in Applied Science from Washburn University. I am a Physical Therapist Assistant. My husband and I have been married one year. I joined the Catholic Church 2017. My favorite Holy Day is Ash Wednesday. Since the Catholic life is new to me, I don't have a favorite prayer or Saint yet.

Sacred Heart School is looking to hire an instructional aide to assist primarily in the 1st grade classroom. The aide would be expected to work with the classroom teacher to assist with small group and individual facilitation of lessons and implementation of academic and behavioral plans. The position is for a minimum of 4 hours a day, 5 days a week, but could be expanded to 6 hours a day. If you are interested in the position or would like more information, please contact principal Darby O'Neill at [doneill@shemporia.org](mailto:doneill@shemporia.org) or (620) 343-7394.
